EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

September 14, 2012

The Honorable Jo-Ellen Darcy
Assistant Secretary of the Army (Civil Works)
108 Army Pentagon
Washington, D.C. 20310-0108

Dear Ms. Darcy:

As required by Executive Order 12322, the Office and Management and Budget completed its review of an Army Corps of Engineers' proposal for the Biscayne Bay Coastal Wetlands Phase I ecosystem restoration project, Central and Southern Florida Project, Comprehensive Everglades Restoration Plan, Florida. Based on our review, we conclude that your recommendation for authorization of construction of this project is consistent with the policy and programs of the President.

The Office of Management and Budget does not object to your submitting the report to Congress for authorization. When you do so, please advise the Congress that should the Congress authorize the project, the project would need to compete with other proposed investments in future budgets.

Sincerely,

Paul Shawcross
Acting Deputy Associate Director
Energy, Science and Water Division
