NEW PUBLIC NOTICE MAILING LIST Coastal Projects (within tidal waters)

CORPS CONTACT: Dr. Daniel P. Swenson at 213-452-3414 or via email at daniel.p.swenson@usace.army.mil.

ANNOUNCEMENT: This public notice announces a new public notice mailing list option: "Coastal Projects (within tidal waters)".

Under the Corps' Regulatory Program, a public notice is the primary method for advising all interested parties of a proposed activity for which a permit is sought. Soliciting comments and information necessary to evaluate the probable impacts on the public interest. Public notices are also published to inform the public about new or proposed regulations, policies, guidance or permit procedures.

Public Notices published by the Los Angeles District under the Regulatory Program are posted on this page: <http://www.spl.usace.army.mil/Media/PublicNotices/RegulatoryPublicNotices.aspx>. Once a public notice is available on-line, an email notification is sent to individuals on the appropriate mailing list(s).

If you would like to be added to one or more of our public notice mailing lists, please use our sign-up form to indicate which list(s) you would like your email address to be added to. The sign-up form is here: http://www.spl.usace.army.mil/Portals/17/docs/regulatory/mailling_registration.pdf.

Regulatory Program Goals:

- To provide strong protection of the nation's aquatic environment, including wetlands.
- To ensure the Corps provides the regulated public with fair and reasonable decisions.
- To enhance the efficiency of the Corps' administration of its regulatory program.
