Dear Mr. Zients:

In accordance with Executive Order 12322, I am submitting for your review a feasibility report that recommends authorization of a navigation project for the Jacksonville Harbor Mile Point, Duval County, Florida. The enclosed draft letters to the Speaker of the House of Representatives and the President of the Senate express the views and recommendations of the Secretary of the Army.

The proposed project is described in the Report of the Chief of Engineers dated April 30, 2012. A copy of the report and other supporting data are enclosed. Please advise this office whether the recommendation is consistent with Administration policy.

Very truly yours,
