

## **Model Design Agreement**

Applicability: the model design agreement (DA) must be used for all cost shared design activities except for projects and programs with Project Partnership Agreements that cover both design and construction, e.g., Continuing Authority Program projects.

History:

1. New model approved 12 November 2015.
2. 28 December 2015 Update. Corrected the reference in Article II.C. to refer to Article VII.
3. 3 June 2016 Update: Deleted option regarding Indian Tribes and renumbered subsequent options. No longer require specific acknowledgment of a Tribe's waiver of sovereign immunity.
4. 28 October 2016 Update: Article I.D. - Revised the definition for "in-kind contributions" consistent with other recently approved model agreements.
