

## MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Rescission of Policy Guidance Letter No. 24, Restoration of Fish and Wildlife Habitat Resources

1. Reference CECW-PA memorandum, dated 7 March 1991, subject: Policy Guidance Letter No. 24, Restoration of Fish and Wildlife Habitat Resources.
2. Policy Guidance Letter No. 24 (PGL 24) is hereby rescinded. The original intent of PGL 24 was to provide guidance for accomplishing fish and wildlife habitat restoration associated with civil works projects. That guidance was modified by EC 1105-2-210, Ecosystem Restoration in the Civil Works Program, dated 1 June 1995, and incorporated into Chapter 4, Section VIII of the Planning Guidance Notebook, ER 1105-2-100. ER 1105-2-100, Chapter 4, is available on the Planning Homepage; it effectively supersedes PGL 24 for ecosystem restoration projects, including fish and wildlife habitat restoration. Ecosystem restoration can also be pursued using the guidance in EC 1105-2-214, Project Modifications for Improvement of the Environment and Aquatic Ecosystem Restoration (Section 1135 of WRDA 86 and Section 206 of WRDA 96) and EC 1105-2-209, Implementing Ecosystem Restoration Projects in Connection with Dredging (Section 204 of WRDA 92) .
3. If you have any questions regarding this guidance, please contact Lloyd Saunders, (202) 761-8731.
