MEMORANDUM THRU Commander, North Atlantic Division, ATTN: CENAD-ET-P
(Sam Tosi)

FOR COMMANDER, HQUSACE, ATTN: CECW-PC (Doug Lamont)

SUBJECT: Delaware River Main Channel Deepening Project, Delaware, New Jersey, and
Pennsylvania – Comprehensive Economic Reanalysis Report – December 2002

1. Enclosed is the comprehensive economic reanalysis report for the subject project and associated items for concurrent reviews. HQUSACE approval is requested on the comprehensive economic reanalysis report.

2. This submittal contains the following:

Enclosure 1 - Comprehensive economic reanalysis report. A CD-ROM of the report is being forwarded separately.

Enclosure 2 - Quality Control Report of Project Benefits prepared by consulting firm of David Miller & Associates, Inc. (DMA) for the Philadelphia District.

Enclosure 3 - Quality Control Report and Certification of Independent Technical Review prepared by Philadelphia District.

As part of the DMA contract, a separate Independent Technical Review was conducted by outside experts on project cost and benefits. Their results are being submitted by the independent technical reviews directly to CENAD-ET-P (Sam Tosi).

3. Our point of contact is Stan Lulewicz, at (215) 656-6586; 6543 (Fax).
