Subject: visits with the chief counsel

This message is a reminder of the extant policy regarding notifying and visiting with the Chief Counsel when any attorney from a District, Division, Center, Laboratory, or other Field Operating Activity is in the Washington D.C. area. Mr. Andersen will continue this policy. He requests that you notify his **Executive Office** when you will be in the area, and that you arrange to meet with him as time allows. Among other things, he is anxious to meet as many of the Corps attorney's as possible, as quickly as possible. Thanks.
