MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Defense Environmental Restoration Program for Formerly Used Defense Sites (DERP-FUDS) Program Manual

1. Reference, memorandum, CEMP-RF, 11 Jul 95, subject as above.
2. The updated subject document is enclosed for your retention and use in planning, programming, and execution of the DERP-FUDS program. Based on responses received from the referenced USACE-wide staffing, the DERP-FUDS Program Manual has been revised.
3. Because of the complexity and evolutionary nature of the DERP-FUDS program, it was difficult to address the various aspects of the program to the level of detail that may be required in all instances. However, we believe that the revised manual provides a comprehensive guidance which will enable environmental restoration personnel to successfully manage and execute the DERP-FUDS program. To that end, you may reproduce the enclosed locally for the widest dissemination.
4. The manual is constructed in a loose leaf format to facilitate future changes of any sections as appropriate. Should you have any questions or comments regarding the content of the manual, please contact T. Julian Chu at (202) 761-4695.
