Dear Ms. Bell:

Your Data Quality Act Request for Correction (RFC) concerning the U.S. Army Corps of Engineers (USACE), Final Supplemental Environmental Integrated Feasibility Report and Environmental Impact Statement for Columbia River Federal Navigation Channel Improvement Project, 28 January 2003, and the Columbia River Channel Improvement Project Addendum, November 2003, was received in the Office of the Chief Information Officer (CIO) for processing as the USACE Interim Information Disseminating Activity, on July 13, 2006.

The Corps of Engineers will review your RFC and send you a decision within 60 working days, October 6, 2006. If the Corps is unable to provide you with a response by that date, you will be contacted and advised of a new response date. Should you have questions or require further information, I can be reached at 202-761-7138 or e-mail at Linda.C.Genovese@usace.army.mil.

Sincerely,

Linda C. Genovese
