MEMORANDUM FOR CHIEF, ENGINEERING AND CONSTRUCTION

SUBJECT: DoD Value Engineering (VE) Program Manager

The purpose of this memorandum is to designate Jeffery T. Hooghouse with the collateral duty of DoD Value Engineering program manager for OSD. As the DoD's VE program manager, Mr. Hooghouse will be responsible for ensuring that the DoD is complying with public law, OMB Cir A-131 Value Engineering, and OSD memoranda. Specifically the task is to ensure that DoD is fulfilling its requirements to conduct a VE program for its assigned mission areas: reporting VE performance metrics for the annual OSD VE goals, reviewing annual VE program plans, and recommending nominations for the OSD VE awards program.

Mr. Hooghouse will report directly to me. Please feel free to contact me if I can be of any assistance with the duties related to implementing the VE program in DoD.
