MEMORANDUM FOR THE ENGINEER INSPECTOR GENERAL

SUBJECT: Engineer Inspector General FY12 Inspection Plan

1. The following topics are approved for inspection by the Engineer Inspector General during FY 12 for US Army Corps of Engineers:
 - a. Facilities Engineering Maintenance System (FEMS)
 - b. Use of Project Owned Equipment (Special Interest Item)
 - c. Equal Employment Opportunity
 - d. Value Engineering
 - e. Conferences
 - f. Emergency Management Operations/Continuity of Operations (COOP)
2. You will provide me with a specific inspection directive to sign for each approved inspection. Inspection directives will contain a focused and quantifiable objectives list for each major inspection area.

*After each inspection,
present results and a
CAP as appropriate.
Thanks!*

MERDITH W.B. TEMPLE
Major General, USA
Acting Commander
