

We All Need To Help

Milford Lake is the largest lake in Kansas. Over 50% of our annual visitation occurs in the campgrounds. We need your help to protect the natural resources so that future trips to the lake are as rewarding as today's.

1. **All campers must have a reservation** to camp in Curtis Creek, sites are **100%** reservable. If you do not have a reservation please follow the instructions posted near the Fee Booth to make one. There is a phone available for use, located outside the Fee Booth. Please ensure you have a reservation in place **PRIOR** to setting up on a site.
2. ATVs, dirt bikes and golf carts are **prohibited** in the park. If you are bringing ATVs or dirt bikes to ride in School Creek ORV Park, then you must leave them trailered or loaded.
3. No driving on the grass **at any time**. Boat trailers (loaded or empty) may be backed onto the grass at your site. Extra vehicles may park parallel along the shoulder of the road to avoid obstructing traffic.

Quiet Hours are from 10 PM to 6 AM.
Visitors must leave by 9 PM.
Check out is at 6 PM.

4. Keep your site clean. Place all trash in the dumpsters. Recycle your aluminum cans at collection points for the Boy Scouts. They really appreciate it.
5. Pets must be on leashes at all times. Please respect other campers and clean up after your pet.
6. **SLOW DOWN!** You're here to relax and have a good time. Please observe the posted speed limits and watch out for the bicycle riders, walkers and children playing
7. Firewood collection: only dead and down wood can be collected for fires. Standing dead trees are wildlife habitat and must be protected.

Curtis Creek

Located on a peninsula, bank fishing is a snap. At the public boat ramp, a wheelchair accessible floating fishing dock is also available.

If you are a boater, there is a boat ramp located inside the campground.

Great views of the lake and dam, playgrounds, hot showers and flush restrooms make Curtis Creek a wonderful place for a family campout.

Curtis Creek campground is open from April 15 through September 30.

For Your Safety

Weather Information

In case of severe weather, tune to a local radio station for a weather update. When damaging weather occurs, take refuge in the shower building or concrete restroom structures.

Boat Smart/Boat Safe

- Be aware of carbon monoxide poisoning around recreational boating
- Let someone know where you are going and when you will be returning

It's a Fact

The four major causes of drowning are:

1. Not wearing a life jacket
2. Abuse of alcohol
3. Lack of swimming skills
4. Hypothermia
